

10 TRAITS OF TRUE LEADERS

Times of immense challenge can be periods of your highest growth and opportunity. Sometimes you can get caught in the swirl of constant change and forget your own development as a leader. Continued growth as a leader is one of the most important things you can do for yourself.

1. On this podcast we talked about how easy it is for leaders to put their own growth and development in the back seat. What steps can you take to make your leadership growth an important priority?
2. Of the 10 Leadership Attributes, what is one area that comes easy for you? Ask yourself how you can sustain this quality, and help others grow in this trait.
